9. Completion evidence and escalation

1. Record observations,Stop before intervention

Record unresolved work and escalate to the preparation owner. This pack does not grant authority outside the approved scope. Use My Jobs to record your personal work and unresolved items. Wait for each local save to complete. Offline saves still need server acceptance; keep uncertain originals for unchanged retry. Submit the exact completion draft for factual review. Pack acknowledgement, attendance acceptance, customer response and Finance approval are separate decisions.
